

# SAMUEL COLMENARES

Katy, TX | 832-459-5598 | samucolme@gmail.com

## EDUCATION

**Texas A&M University, College Station, TX**

**Expected 2028**

*Bachelor of Science in Mechanical Engineering*

GPA: 3.16

**Relevant Coursework:** Statics; Solid Mechanics; MEEN 210 (SolidWorks/Mechanical Design); MEEN 305; Thermodynamics (Fall 2026); Dynamics (planned before Summer 2027)

## TECHNICAL SKILLS

**CAD & Design:** SolidWorks, AutoCAD, Autodesk Inventor, Revit; 3D modeling, assemblies, mechanical design, technical drawings, 3D printing

**Programming & Analysis:** Python; Microsoft Excel; Microsoft Project; Microsoft Word

**Languages:** Fluent in English and Spanish; Basic Italian

**Certifications:** Autodesk Certified User: AutoCAD; Intro to AutoCAD; AutoCAD Essentials

## ENGINEERING & TECHNICAL PROJECTS

### MEEN 305 - Structurally Optimized Beam Design, Analysis & Testing

- Completed five beam design iterations for a 20-design team optimization project, minimizing material while maintaining a minimum 1.5 factor of safety under two loading conditions.
- Applied bending-moment, section-property, von Mises stress, and deformation analysis in Excel; supported experimental setup and simulations to compare predicted and measured beam behavior.
- Created CAD for a design iteration and contributed to refinement of the Excel optimization model used to evaluate beam geometry, weight, and safety.

### MEEN 210 - SolidWorks Mechanical Toy Design & 3D Printing

- Designed and modeled a functional mechanical toy in SolidWorks using interacting gears and assembled components to create controlled mechanical motion.
- Developed CAD parts and assembly, then 3D printed and evaluated component fit and gear interaction to produce a working mechanism.

### Additional CAD Projects

- Created mechanical parts and assemblies in Autodesk Inventor, produced AutoCAD drawings, and built residential architectural models in Revit.

## EXPERIENCE

### Allocated Trading Capital - Private Equity Firm

- Earned access to proprietary trading capital by demonstrating consistent profitability, disciplined risk management, and data-driven decision-making in simulated and live markets.
- Developed and backtested strategies across equities, futures, and forex using structured analysis to evaluate performance and manage risk.

### Bobby Sanders Basketball Camp

*Finance & Operations Assistant*

- Managed concession operations by tracking daily sales, handling cash flow, maintaining accurate financial records, and coordinating with staff in a fast-paced environment.

## LEADERSHIP & COMMUNITY INVOLVEMENT

### Regnum Christi

**Present**

*Team Leader / Formator*

- Lead and mentor team members in formation activities, facilitating group discussions and supporting personal development through communication, accountability, and example.

### Regnum Christi International Formators Course (IFC), Rome, Italy

**Summer 2026**

- Completed a 125-hour (3 ECTS) international formation program at the Pontifical Athenaeum Regina Apostolorum, developing leadership, teamwork, communication, and cross-cultural collaboration skills.

### Regnum Christi & Open Door Missions, Houston, TX

- Organized and distributed donations for the homeless community and supported service activities for men in addiction recovery.

### Competitive Basketball - School & AAU

- Competed through high school in district championships and national tournaments, developing teamwork, discipline, and leadership in high-pressure settings.

## HONORS & AWARDS

National Hispanic Recognition Award (2022) | ATA First Degree Black Belt | Sophomore Basketball District Champions (2021-22) | Alodia Basketball Tournament Winner (2023)
